

# PreRoll-Er™

PROVEN SOLUTIONS  
FOR CANNABIS AUTOMATION

THE ULTIMATE EXPERIENCE  
BACKED BY TOP TECHNOLOGY

## Top and Bottom Labeler

# Top and Bottom Labeler

Dual head for top and bottom application simultaneously.

## Top Technologies

The bag labeler applies label of any sizes. The equipment comes with bags feeding system that is easily adjustable. Combining Italian technology and North American sturdiness to ensure precise application. PreRoll-Er offers a wide range of labelers for every type of applications.

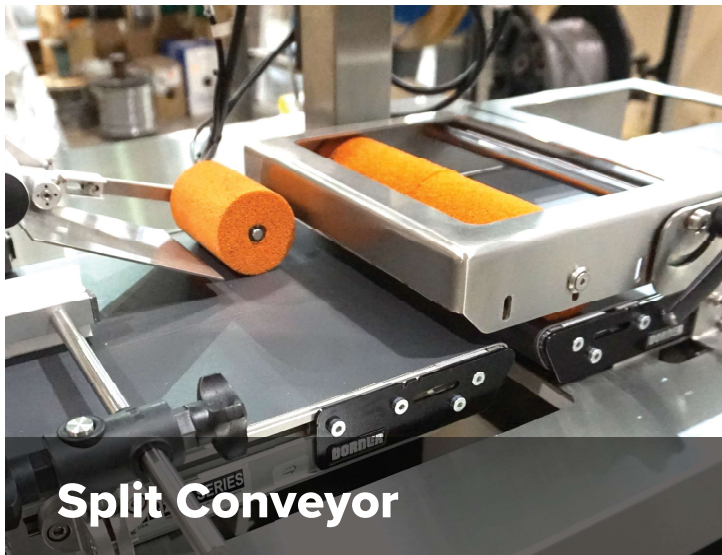

**Application Head**

**Bag Feeder System**

**Split Conveyor**

**Coder for Variable Data (THC)**

## What People are Saying

“Our operators find the machine very easy to work with and easy for any needed adjustments.”

“One of the things that impressed us about Procepack is their service after the sale. Both technicians and administrative staff have made site visits.”
